## RESEARCH PROJECTS

- January–  
December 2021      Research Fellow.  
“NAVS” project, part of the research program “**Promotion, Documentation and Technical support of the Greek Shipbuilding Legacy and Naval History – The Battles of Navarinou and Salaminos**”.
- The Center for Maritime History at the Institute for Mediterranean Studies (IMS) of the Foundation for Research and Technology – Hellas (FORTH), the School of Naval Architecture and Marine Engineering at the National Technical University of Athens (NTUA), in collaboration with other institutions.
- Research Team Coordinator: Prof. Gelina Harlaftis, University of Crete.
- Historical adviser for the creation of 3D digital representations of the ships used in these naval battles and the compilation of dossiers of historical source material.*
- June – November  
2020      Research Fellow.  
“**Virtual Historic Sailing Ships – VHSS**”.
- The Institute for Mediterranean Studies (IMS) of the Foundation for Research and Technology – Hellas (FORTH), in collaboration with the Department of Product and Systems Design Engineering of the University of the Aegean (DPSDE-UA) and the Folklife and Ethnological Museum of Macedonia-Thrace.
- Scientific Coordinator: Dr. Kostas Damianidis, Postdoctoral Researcher, IMS/FORTH.
- Advised on 3D digital reconstructions of historical sailing ships using virtual reality (VR) and augmented reality (AR) technologies. Contributed to the collection of archival records on the Greek wooden shipbuilding tradition of the 19<sup>th</sup> century.*
- October 2018–  
December 2019      Researcher and Coordinator of Archival Research.  
“**FISH & C.H.I.P.S. – Fisheries and Cultural Heritage, Identity and Participated Societies**” program European Territorial Cooperation Program “**Interreg V-A Greece – Italy 2014-2020**”.
- The Ionian University – Department of History, the Ephorate of Antiquities of Corfu, the University of Foggia – Department of Humanities, Literature, Cultural Heritage, and Education Sciences.

Program coordinator: Prof. Konstantinos Sbonias, Ionian University.

*I coordinated historical, archival, and ethnographic research, was involved in organizing social engagement workshops with the participation of local stakeholders and residents, as well as in the establishment of an Eco-museum in Petriti, South Corfu. Furthermore, the research was used for the development of the Charter of Coastal Cultural Heritage, and the collected data were recorded in a Geospatial Database.*

2012-2013

Researcher.

**“Recording and Classification of the Historical Archival Material of the Municipality of Nea Smyrni”**, part of the research program **“Historical Study of Settlements in Greece, 15<sup>th</sup> – 20<sup>th</sup> century”**.

The Institute of Historical Research (IHR) of the National Hellenic Research Foundation (NHRF).

Scientific coordinator: Dr. Dimitris Dimitropoulos, Director of Research at the IHR/NHRF.

*Contributed to the archiving and preservation of the Municipality of Nea Smyrni inactive archival material, with the purpose of documenting residential development in parts of Attica with a high degree of post-1922 refugee concentrations.*

2011-2012

Researcher.

**“Identification and Recording of the Community Archives of Andros”**, part of the research program **“Historical Study of Settlements in Greece, 15<sup>th</sup> – 20<sup>th</sup> century”**.

The Institute of Historical Research (IHR) of the National Hellenic Research Foundation (NHRF).

Scientific coordinator: Dr. Dimitris Dimitropoulos, Director of Research at the IHR/NHRF.

*I was part of the team that undertook the study of island settlements, the mapping of unknown archival holdings and the identification of inactive archival material on the island of Andros.*

2011

Researcher.

**“Recording and Classification of the Municipal Archive of Chora, Andros Island”**, part of the research program **“Historical Study of Settlements in Greece, 15<sup>th</sup> – 20<sup>th</sup> century”**.

The Institute of Historical Research (IHR) at the National Hellenic Research Foundation (NHRF).

Scientific coordinator: Dr. Dimitris Dimitropoulos, Director of Research at the IHR/NHRF.

*I was part of the team that undertook the study of island settlements, the mapping of unknown archival holdings and the identification of inactive archival material from the Municipal Archive of Chora, Andros (landfill archive).*

2008-2009

Researcher.

**“Recording and Classification of the Municipal Archive of Ymittos – Attica”**, part of the research program **“Historical Study of Settlements in Greece, 15<sup>th</sup> – 20<sup>th</sup> century”**.

The Institute of Historical Research (IHR) at the National Hellenic Research Foundation (NHRF).

Scientific coordinator: Dr. Dimitris Dimitropoulos, Director of Research at the IHR/NHRF.

*I was part of the team that carried out a detailed recording and classification of the inactive archival material of the Municipality dating from 1925 to the 1980s. A full catalogue was subsequently compiled.*

2008

Researcher.

**“Chios Mastic Museum”**.

Piraeus Bank Group Cultural Foundation (PIOP).

Scientific coordinator: Ass. Prof. Evdokia Olympitou, Ionian University.

*I conducted and transcribed interviews to create an oral testimony archive for the "Archive of Mastic Producers and Employees of the Chios Mastic Growers Association (EMX)". I also carried out archival research to document the museum's main exhibits.*

2008

Research Assistant.

Exhibition **“The Lighthouses of the Ionian Islands. An Exhibition of Photographic and Archival Documents”**.

Department of History, Ionian University, Corfu.

Curators: Asst. Prof. Evdokia Olympitou – Prof. Gelina Harlaftis – Nikos Benos-Palmer.

*I located and photographed archival materials housed in the Archives of the Lighthouse Service of the Hellenic Navy relating to the twenty-three stone-built lighthouses of the Ionian Sea.*

- 2005-2007                      Researcher.  
**“Pre-industrial and Industrial Installations and Techniques in the Ionian Islands, 18th–20th centuries”**, part of the program **“Pythagoras II – Strengthening Research Teams at Universities”**.  
The Department of History, Ionian University, Corfu.  
Scientific coordinator: Asst. Prof. Evdokia Olympitou, Ionian University.  
*Contributed to the systematic documentation of the material remains of pre-industrial and industrial facilities in the Ionian Islands, the collection of archival records from the 18th to the 20th century, the establishment of an oral testimony archive.*
- 2005-2007                      Researcher.  
**“Historical Archive of Kalymnos from the Ottoman period to the Modern Era”**.  
The Department of History, Ionian University, Corfu.  
Coordinator: Ass. Prof. Evdokia Olympitou, Ionian University.  
*Part of the team that undertook the systematic classification, recording, cataloging, and photographing of archival material preserved by the Municipality.*
- 2006                              Research Assistant.  
**“Surface Survey in Paliki, Kefalonia”**.  
The Department of History, Ionian University, Corfu, the 35<sup>th</sup> Ephorate of Prehistoric and Classical Antiquities, the 20<sup>th</sup> Ephorate of Byzantine Antiquities.  
Scientific coordinator: Prof. Konstantinos Sbonias, Ionian University.  
*Contributed to the comprehensive documentation and collection of surface material to trace human activity and settlements from prehistory to modern times in the area of Paliki.*

#### ***OTHER ACADEMIC ACTIVITIES***
